Student to stay away from their regular accommodation overnight.

- 25. Except in the circumstances described in clause 24, this Agreement is considered to be the written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.
- 26. Unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's Residential Caregiver where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

Code of Conduct (Schedule One)

ST KEVIN'S COLLEGE CODE OF CONDUCT

A friendly, helpful and caring school community is important and high standards of behaviour are expected as a necessary means of achieving this atmosphere. Courtesy, consideration, co-operation and common sense are the basis of the School's demands in this area and self-discipline is seen as the best form of discipline. The School has a responsibility to set high standards and encourage good attitudes through teaching Students by good example.

There are a number of School rules and Students will be informed of them. Some relate purely to internal organisation, however the following rules have implications outside of the School and we would appreciate Parental support in implementing them:

- Attendance at School is compulsory until a Student's 16th birthday and Students enrolled for external assessments must attend regularly to qualify
- Students are expected to behave at all times in a way that will bring credit to themselves, their Family and their School
- Students are to have good manners at all times. Disruptive behaviour is unacceptable.
- Students must arrive at School on each school day by 8.45am and to attend all classes
- Correct school uniform must be worn to and from School. T-shirts and skivvies must not be visible and clean, regulation shoes must be worn.
- In inclement weather, the regulation school jacket is the only extra clothing to be worn over the top of school uniform.
- Students, who for some genuine reason are unable to wear correct uniform, are required to obtain a note from their Dean to show to class teachers on the day.
- Students who wish to drive a car (or ride a motorcycle) to and from school, must hold a regulation driver licence, have written permission from both Parents and their Dean. They will need to complete further documentation as well. They are not permitted to carry any other Student in the car.
- Students must respect other people's property
- The possession or use of any explosive or dangerous material, knives or weapons, chemicals, chewing gum, bubble gum, tobacco, alcohol or any narcotic drugs is expressly forbidden both at school, or when travelling to and from School, or at any function associated with the School.
- All Students who cycle to school must wear a safety approved helmet and are encouraged to use routes other than Thames Highway (SH1), for reasons of safety.
- The following should not be brought to School, since we can take no responsibility for their storage during the day: skateboards, scooters, cameras, jewellery, cash or any other items of high value. EFTPOS cards may be used to make canteen purchases at School.

Investigation Policy

(Schedule Two)

1. The following is the School's current policy for dealing with Disciplinary Actions and Welfare Issues. This is not intended to restrict the School's general powers relating to discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage investigation process (the Investigation Process).
3. In Stage One, the School will investigate and determine the facts of the situation being considered (**the Situation**), and will reach a conclusion on what happened and whether there is a Welfare Issue or an incident that requires Disciplinary Action or the termination of the Agreement.
4. During Stage One of the Investigation Process, the Student will have an opportunity to provide a response to any subject matter being investigated or to any allegation made concerning the Situation.
5. In Stage Two, if the School has determined some response is required, the School will consider the appropriate outcome for the Situation, up to and including termination of the Agreement.
6. During Stage Two of the Investigation Process, the Student will have an opportunity to provide a response to the Situation and any proposed outcome that the School is considering taking (**the Proposed Action**).
7. This policy does not limit the School's power to take appropriate action urgently and without following the Investigation Process if this is necessary having regard to the seriousness of the Situation. Such a determination may be made at any point during the Investigation Process.
8. This policy also does not limit the School's power to suspend the student for the duration of the Investigation Process where suspension is considered necessary for the safety or education of any person.

General Policy

9. When the School is conducting an investigation involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Situation (as it understands it) or the Proposed Action;
 - (b) an opportunity to respond to the Situation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Situation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Situation or the Proposed Action) before giving a response;
